

Attention Employees!

- Your employer is enrolled in the **Windham Group's Work Injury Network** a workers' Compensation managed care program.
- If you are injured on the job, please notify your employer immediately.
- If treatment is needed, call your Nurse Case Manager to assist you in facilitating timely in-network care.
- In order for your medical bills to be considered for payment, you must treat with a provider in the **Windham Group's Work Injury Network**.
- *Call your Nurse Case manager at*
